YEAR ENDED 31 MARCH 2023

**STATEMENT OF HEALTH BOARD MEMBERS' RESPONSIBILITIES
IN RESPECT OF THE ACCOUNTS**

Under the National Health Service (Scotland) Act 1978, the Health Board is required to prepare accounts in accordance with the directions of Scottish Ministers which require that those accounts give a true and fair view of the state of affairs of the Patients' Private Funds as at 31 March 2023. In preparing these accounts, the Directors are required to:

- Apply on a consistent basis the accounting policies and standards approved for the NHS Scotland by Scottish Ministers;
- Make judgements and estimates that are reasonable and prudent;
- State where applicable accounting standards have not been followed where the effect of the departure is material.

The Health Board members are responsible for ensuring proper accounting records are maintained which disclose with reasonable accuracy at any time the financial position to ensure that the Accounts comply with the National Health Service (Scotland) Act 1978 and the requirements of the Scottish Government Health Directorates. They are also responsible for safeguarding the assets and hence taking reasonable steps for the prevention of fraud and other irregularities.

The NHS Board members confirm they have discharged the above responsibilities during the financial year and in preparing the accounts.
