STANDING ORDERS FOR THE PROCEEDINGS AND BUSINESS OF FIFE NHS BOARD

1 General

- 1.1 These Standing Orders for regulation of the conduct and proceedings of [Fife] NHS Board, the common name for Fife Health Board, [the Board] and its Committees are made under the terms of The Health Boards (Membership and Procedure) (Scotland) Regulations 2001 (2001 No. 302), as amended up to and including The Health Boards (Membership and Procedure) (Scotland) Amendment Regulations 2016 (2016 No. 3).

Healthcare Improvement Scotland and NHS National Services Scotland are constituted under a different legal basis, and are not subject to the above regulations. Consequently those bodies will have different Standing Orders.

The NHS Scotland Blueprint for Good Governance (issued through [DL 2019 02](#)) has informed these Standing Orders. The Blueprint describes the functions of the Board as:

- Setting the direction, clarifying priorities and defining expectations.
- Holding the executive to account and seeking assurance that the organisation is being effectively managed.
- Managing risks to the quality, delivery and sustainability of services.
- Engaging with stakeholders.
- Influencing the Board's and the organisation's culture.

Further information on the role of the Board, Board members, the Chair, Vice-Chair, and the Chief Executive is available on the NHS Scotland [Board Development website](#).

- 1.2 The Scottish Ministers shall appoint the members of the Board. The Scottish Ministers shall also attend to any issues relating to the resignation and removal, suspension and disqualification of members in line with the above regulations. Any member of the Board may on reasonable cause shown be suspended from the Board or disqualified for taking part in any business of the Board in specified circumstances.
- 1.3 Any statutory provision, regulation or direction by Scottish Ministers, shall have precedence if they are in conflict with these Standing Orders.
- 1.4 Any one or more of these Standing Orders may be varied or revoked at a meeting of the Board by a majority of members present and voting, provided the notice for the meeting at which the proposal is to be considered clearly states the extent of the proposed repeal, addition or amendment. The Board will annually review its Standing Orders.
- 1.5 Any member of the Board may on reasonable cause shown be suspended from the Board or disqualified for taking part in any business of the Board in specified circumstances. The Scottish Ministers may by determination suspend a

member from taking part in the business (including meetings) of the Board. Paragraph 5.4 sets out when the person presiding at a Board meeting may suspend a Board member for the remainder of a specific Board meeting. The Standards Commission for Scotland can apply sanctions if a Board member is found to have breached the Board Members' Code of Conduct, and those include suspension and disqualification. The regulations (see paragraph 1.1) also set out grounds for why a person may be disqualified from being a member of the Board.

Board Members – Ethical Conduct

- 1.6 Members have a personal responsibility to comply with the Code of Conduct for Members of Fife Health Board. The Commissioner for Public Standards can investigate complaints about members who are alleged to have breached their Code of Conduct. The Board will have appointed a Standards Officer. This individual is responsible for carrying out the duties of that role, however they may delegate the carrying out of associated tasks to other members of staff. The Board's appointed Standards Officer shall ensure that the Board's Register of Interests is maintained. When a member needs to update or amend his or her entry in the Register, they must notify the Board's appointed Standards Officer of the need to change the entry within one month after the date the matter required to be registered.
- 1.7 The Board's appointed Standards Officer shall ensure the Register is available for public inspection at the principal offices of the Board at all reasonable times and will be included on the Board's website.
- 1.8 Members must always consider the relevance of any interests they may have to any business presented to the Board or one of its committees. Members must observe paragraphs 5.6 - 5.10 of these Standing Orders, and have regard to Section 5 of the Code of Conduct (Declaration of Interests).
- 1.9 In case of doubt as to whether any interest or matter should be declared, in the interests of transparency, members are advised to make a declaration.
- 1.10 Members shall make a declaration of any gifts or hospitality received in their capacity as a Board member. Such declarations shall be made to the Board's appointed Standards Officer who shall make them available for public inspection at all reasonable times at the principal offices of the Board and on the Board's website. The Register of Interests includes a section on gifts and hospitality. The Register may include the information on any such declarations, or cross-refer to where the information is published.
- 1.11 The Board's Secretary shall provide a copy of these Standing Orders to all members of the Board on appointment. A copy shall also be held on the Board's website.

2 Chair

- 2.1 The Scottish Ministers shall appoint the Chair of the Board.

3 Vice-Chair

- 3.1 The Chair shall nominate a candidate or candidates for vice-chair to the Cabinet Secretary. The candidate(s) must be a Non-Executive member of the Board. A member who is an employee of a Board is disqualified from being Vice-Chair. The Cabinet Secretary will in turn determine who to appoint based on evidence of effective performance and evidence that the member has the skills, knowledge and experience needed for the position. Following the decision, the Board shall appoint the member as Vice-Chair. Any person so appointed shall, so long as they remain a member of the Board, continue in office for such a period as the Board may decide.
- 3.2 The Vice-Chair may at any time resign from that office by giving notice in writing to the Chair. The process to appoint a replacement Vice-Chair is the process described at paragraph 3.1.
- 3.3 Where the Chair has died, ceased to hold office, or is unable for a sustained period of time to perform his or her duties due to illness, absence from Scotland or for any other reason, then the Board's Secretary should refer this to the Scottish Government. The Cabinet Secretary will confirm which member may assume the role of interim chair in the period until the appointment of a new chair, or the return of the appointed chair. Where the Chair is absent for a short period due to leave (for whatever reason), the Vice-Chair shall assume the role of the Chair in the conduct of the business of the Board. In either of these circumstances references to the Chair shall, so long as there is no Chair able to perform the duties, be taken to include references to either the interim chair or the Vice-Chair. If the Vice-Chair has been appointed as the Interim Chair, then the process described at paragraph 3.1 will apply to replace the Vice-Chair.

4 Calling and Notice of Board Meetings

- 4.1 The Chair may call a meeting of the Board at any time and shall call a meeting when required to do so by the Board. The Board shall meet at least six times in the year and will annually approve a forward schedule of meeting dates.
- 4.2 The Chair will determine the final agenda for all Board meetings. The agenda may include an item for any other business, however this can only be for business which the Board is being informed of for awareness, rather than being asked to make a decision. No business shall be transacted at any meeting of the Board other than that specified in the notice of the meeting except on grounds of urgency.
- 4.3 Any member may propose an item of business to be included in the agenda of a future Board meeting by submitting a request to the Chair. If the Chair elects to agree to the request, then the Chair may decide whether the item is to be considered at the Board meeting which immediately follows the receipt of the request, or a future Board meeting. The Chair will inform the member which meeting the item will be discussed. If any member has a specific legal duty or responsibility to discharge which requires that member to present a report to the Board, then that report will be included in the agenda.

- 4.4 In the event that the Chair decides not to include the item of business on the agenda of a Board meeting, then the Chair will inform the member in writing as to the reasons why.
- 4.5 A Board meeting may be called if one third of the whole number of members signs a requisition for that purpose. The requisition must specify the business proposed to be transacted. The Chair is required to call a meeting within 7 days of receiving the requisition. If the Chair does not do so, or simply refuses to call a meeting, those members who presented the requisition may call a meeting by signing an instruction to approve the notice calling the meeting provided that no business shall be transacted at the meeting other than that specified in the requisition.
- 4.6 Before each meeting of the Board, a notice of the meeting (in the form of an agenda), specifying the time, place and business proposed to be transacted at it and approved by the Chair, or by a member authorised by the Chair to approve on that person's behalf, shall be circulated to every member so as to be available to them at least three clear days before the meeting. The notice shall be distributed along with any papers for the meeting that are available at that point.
- 4.7 With regard to calculating clear days for the purpose of notice under 4.6 and 4.9, the period of notice excludes the day the notice is sent out and the day of the meeting itself. Additionally only working days (Monday to Friday) are to be used when calculating clear days; weekend days and public holidays should be excluded.

Example: If a Board is meeting on a Wednesday, the notice and papers for the meeting should be distributed to members no later than the preceding Thursday. The three clear days would be Friday, Monday and Tuesday. If the Monday was a public holiday, then the notice and papers should be distributed no later than the preceding Wednesday.

- 4.8 Lack of service of the notice on any member shall not affect the validity of a meeting.
- 4.9 Board meetings shall be held in public. A public notice of the time and place of the meeting shall be provided at least three clear days before the meeting is held. The notice and the meeting papers shall also be placed on the Board's website. The meeting papers will include the minutes of committee meetings which the relevant committee has approved. The exception is that the meeting papers will not include the minutes of the Remuneration Committee. The Board may determine its own approach for committees to inform it of business which has been discussed in committee meetings for which the final minutes are not yet available. For items of business which the Board will consider in private session (see paragraph 5.22), only the Board members will normally receive the meeting papers for those items, unless the person presiding agrees that others may receive them.

- 4.10 Any individual or group or organisation which wishes to make a deputation to the Board must make an application to the Chair's Office at least 21 working days before the date of the meeting at which the deputation wish to be received. The application will state the subject and the proposed action to be taken.
- 4.11 Any member may put any relevant question to the deputation, but will not express any opinion on the subject matter until the deputation has withdrawn. If the subject matter relates to an item of business on the agenda, no debate or discussion will take place until the item is considered in the order of business.
- 4.12 Any individual or group or organisation which wishes to submit a petition to the Board will deliver the petition to the Chair's Office at least 21 working days before the meeting at which the subject matter may be considered. The Chair will decide whether or not the petition will be discussed at the meeting.

5 Conduct of Meetings

Authority of the Person Presiding at a Board Meeting

- 5.1 The Chair shall preside at every meeting of the Board. The Vice-Chair shall preside if the Chair is absent. If both the Chair and Vice Chair are absent, the members present at the meeting shall choose a Board member who is not an employee of a Board to preside.
- 5.2 The duty of the person presiding at a meeting of the Board or one of its committees is to ensure that the Standing Orders or the committee's terms of reference are observed, to preserve order, to ensure fairness between members, and to determine all questions of order and competence. The ruling of the person presiding shall be final and shall not be open to question or discussion.
- 5.3 The person presiding may direct that the meeting can be conducted in any way that allows members to participate, regardless of where they are physically located, e.g. videoconferencing, teleconferencing. For the avoidance of doubt, those members using such facilities will be regarded as present at the meeting.
- 5.4 In the event that any member who disregards the authority of the person presiding, obstructs the meeting, or conducts himself/herself inappropriately the person presiding may suspend the member for the remainder of the meeting. If a person so suspended refuses to leave when required by the person presiding to do so, the person presiding will adjourn the meeting in line with paragraph 5.12. For paragraphs 5.5 to 5.20, reference to 'Chair' means the person who is presiding the meeting, as determined by paragraph 5.1.

Quorum

- 5.5 The Board will be deemed to meet only when there are present, and entitled to vote, a quorum of at least one third of the whole number of members, including at least two members who are not employees of a Board. The quorum for committees will be set out in their terms of reference, however it can never be less than two Board members.

- 5.6 In determining whether or not a quorum is present the Chair must consider the effect of any declared interests.
- 5.7 If a member, or an associate of the member, has any pecuniary or other interest, direct or indirect, in any contract, proposed contract or other matter under consideration by the Board or a committee, the member should declare that interest at the start of the meeting. This applies whether or not that interest is already recorded in the Board Members' Register of Interests. Following such a declaration, the member shall be excluded from the Board or committee meeting when the item is under consideration, and should not be counted as participating in that meeting for quorum or voting purposes.
- 5.8 Paragraph 5.7 will not apply where a member's, or an associate of theirs, interest in any company, body or person is so remote or insignificant that it cannot reasonably be regarded as likely to affect any influence in the consideration or discussion of any question with respect to that contract or matter. In March 2015, the Standards Commission granted a dispensation to NHS Board members who are also voting members of integration joint boards. The effect is that those members do not need to declare as an interest that they are a member of an integration joint board when taking part in discussions of general health & social care issues. However members still have to declare other interests as required by Section 5 of the Board Members' Code of Conduct.
- 5.9 If a question arises at a Board meeting as to the right of a member to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting be referred to the Chair. The Chair's ruling in relation to any member other than the Chair is to be final and conclusive. If a question arises with regard to the participation of the Chair in the meeting (or part of the meeting) for voting or quorum purposes, the question is to be decided by the members at that meeting. For this latter purpose, the Chair is not to be counted for quorum or voting purposes.
- 5.10 Paragraphs 5.6-5.9 shall equally apply to members of any Board committees, whether or not they are also members of the Board, e.g. stakeholder representatives.
- 5.11 When a quorum is not present, the only actions that can be taken are to either adjourn to another time or abandon the meeting altogether and call another one. The quorum should be monitored throughout the conduct of the meeting in the event that a member leaves during a meeting, with no intention of returning. The Chair may set a time limit to permit the quorum to be achieved before electing to adjourn, abandon or bring a meeting that has started to a close.

Adjournment

- 5.12 If it is necessary or expedient to do so for any reason (including disorderly conduct or other misbehaviour at a meeting), a meeting may be adjourned to another day, time and place. A meeting of the Board, or of a committee of the

Board, may be adjourned by the Chair until such day, time and place as the Chair may specify.

Business of the Meeting

The Agenda

- 5.13 If a member wishes to add an item of business which is not in the notice of the meeting, they must make a request to the Chair ideally in advance of the day of the meeting and certainly before the start of the meeting. The Chair will determine whether the matter is urgent and accordingly whether it may be discussed at the meeting.
- 5.14 The Chair may change the running order of items for discussion on the agenda at the meeting. Please also refer to paragraph 4.2.
- 5.15 For Board meetings only, the Chair may propose within the notice of the meeting “items for approval” and “items for discussion”. The items for approval are not discussed at the meeting, but rather the members agree that the content and recommendations of the papers for such items are accepted, and that the minutes of the meeting should reflect this. The Board must approve the proposal as to which items should be in the “items for approval” section of the agenda. Any member (for any reason) may request that any item or items be removed from the “items for approval” section. If such a request is received, the Chair shall either move the item to the “items for discussion” section, or remove it from the agenda altogether.

Decision-Making

- 5.16 The Chair may invite the lead for any item to introduce the item before inviting contributions from members. Members should indicate to the Chair if they wish to contribute, and the Chair will invite all who do so to contribute in turn. Members are expected to question and challenge proposals constructively and carefully to reach and articulate a considered view on the suitability of proposals.
- 5.17 The Chair will consider the discussion, and whether or not a consensus has been reached. Where the Chair concludes that consensus has been reached, then the Chair will normally end the discussion of an item by inviting agreement to the outcomes from the discussion and the resulting decisions of the Board.
- 5.18 As part of the process of stating the resulting decisions of the Board, the Chair may propose an adaptation of what may have been recommended to the Board in the accompanying report, to reflect the outcome of the discussion.
- 5.19 The Board may reach consensus on an item of business without taking a formal vote, and this will be normally what happens where consensus has been reached.
- 5.20 Where the Chair concludes that there is not a consensus on the Board’s position on the item and/ or what it wishes to do, then the Chair will put the decision to

a vote. If at least two Board members ask for a decision to be put to a vote, then the Chair will do so. Before putting any decision to vote, the Chair will summarise the outcome of the discussion and the proposal(s) for the members to vote on.

- 5.21 Where a vote is taken, the decision shall be determined by a majority of votes of the members present and voting on the question. In the case of an equality of votes, the Chair shall have a second or casting vote. The Chair may determine the method for taking the vote, which may be by a show of hands, or by ballot, or any other method the Chair determines.
- 5.22 While the meeting is in public the Board may not exclude members of the public and the press (for the purpose of reporting the proceedings) from attending the meeting.

Board Meeting in Private Session

- 5.23 The Board may agree to meet in private in order to consider certain items of business. The Board may decide to meet in private on the following grounds:
- The Board is still in the process of developing proposals or its position on certain matters, and needs time for private deliberation.
 - The business relates to the commercial interests of any person and confidentiality is required, e.g. when there is an ongoing tendering process or contract negotiation.
 - The business necessarily involves reference to personal information, and requires to be discussed in private in order to uphold the Data Protection Principles.
 - The Board is otherwise legally obliged to respect the confidentiality of the information being discussed.
- 5.24 The minutes of the meeting will reflect when the Board has resolved to meet in private.

Minutes

- 5.25 The names of members present at a meeting of the Board, or of a committee of the Board, shall be recorded in the minute of the meeting. The names of other persons in attendance shall also be recorded.
- 5.26 The Board's Secretary (or his/her authorised nominee) shall prepare the minutes of meetings of the Board and its committees. The Board or the committee shall review the draft minutes at the following meeting. The person presiding at that meeting shall sign the approved minute.

6 Matters Reserved for the Board

Introduction

- 6.1 The Scottish Government retains the authority to approve certain items of business. There are other items of the business which can only be approved at an NHS Board meeting, due to either Scottish Government directions or a Board decision in the interests of good governance practice.
- 6.2 This section summarises the matters reserved to the Board:
- a) Standing Orders
 - b) The establishment and terms of reference of all its committees, and appointment of committee members
 - c) Organisational Values
 - d) The strategies for all the functions that it has planning responsibility for, subject to any provisions for major service change which require Ministerial approval.
 - e) The Annual Operational Plan for submission to the Scottish Government for its approval. (Note: The Board should consider the draft for submission in private session. Once the Scottish Government has approved the Annual Operational Plan, the Board should receive it at a public Board meeting.)

 - g) Risk Management Policy.
 - h) Financial plan for the forthcoming year, and the opening revenue and capital budgets.
 - i) Standing Financial Instructions and a Scheme of Delegation.

In order to respect Parliamentary Privilege, the Board cannot publish the annual accounts or any information drawn from it before the accounts are laid before the Scottish Parliament. Similarly the Board cannot publish the report of the external auditors of their annual accounts in this period.)
 - k) Any business case item that is beyond the scope of its delegated financial authority before it is presented to the Scottish Government for approval. The Board shall comply with the [Scottish Capital Investment Manual](#).
 - l) The Board shall approve the content, format, and frequency of performance reporting to the Board.
 - m) The appointment of the Board's chief internal auditor. (Note: This applies either when the proposed chief internal auditor will be an employee of the Board, or when the chief internal auditor is engaged through a contract with an external provider. The audit committee should advise the Board on the appointment, and the Board may delegate to the audit committee oversight of the process which leads to a recommendation for appointment.)
 - n) The contribution to Community Planning Partnerships through the associated improvement plans.
 - o) Health & Safety Policy
 - p) Arrangements for the approval of all other policies.
 - q) The system for responding to any civil actions raised against the Board.
 - r) The system for responding to any occasion where the Board is being investigated and / or prosecuted for a criminal or regulatory offence.
- 6.3 The Board may be required by law or Scottish Government direction to approve certain items of business, e.g. the integration schemes for a local authority area.

- 6.4 The Board itself may resolve that other items of business be presented to it for approval.

7 Delegation of Authority by the Board

- 7.1 Except for the Matters Reserved for the Board, the Board may delegate authority to act on its behalf to committees, individual Board members, or other Board employees. In practice this is achieved primarily through the Board's approval of the Standing Financial Instructions and the Scheme of Delegation.
- 7.2 The Board may delegate responsibility for certain matters to the Chair for action. In such circumstances, the Chair should inform the Board of any decision or action subsequently taken on these matters.
- 7.3 The Board and its officers must comply with the [NHS Scotland Property Transactions Handbook](#), and this is cross-referenced in the Scheme of Delegation.
- 7.4 The Board may, from time to time, request reports on any matter or may decide to reserve any particular decision for itself. The Board may withdraw any previous act of delegation to allow this.

8 Execution of Documents

- 8.1 Where a document requires to be authenticated under legislation or rule of law relating to the authentication of documents under the Law of Scotland, or where a document is otherwise required to be authenticated on behalf of the Board, it shall be signed by an executive member of the Board or any person duly authorised to sign under the Scheme of Delegation in accordance with the Requirements of Writing (Scotland) Act 1995. Before authenticating any document the person authenticating the document shall satisfy themselves that all necessary approvals in terms of the Board's procedures have been satisfied. A document executed by the Board in accordance with this paragraph shall be self-proving for the purposes of the Requirements of Writing (Scotland) Act 1995.
- 8.2 Scottish Ministers shall direct which officers of the Board can sign on their behalf in relation to the acquisition, management and disposal of land.
- 8.3 Any authorisation to sign documents granted to an officer of the Board shall terminate upon that person ceasing (for whatever reason) from being an employee of the Board, without further intimation or action by the Board.

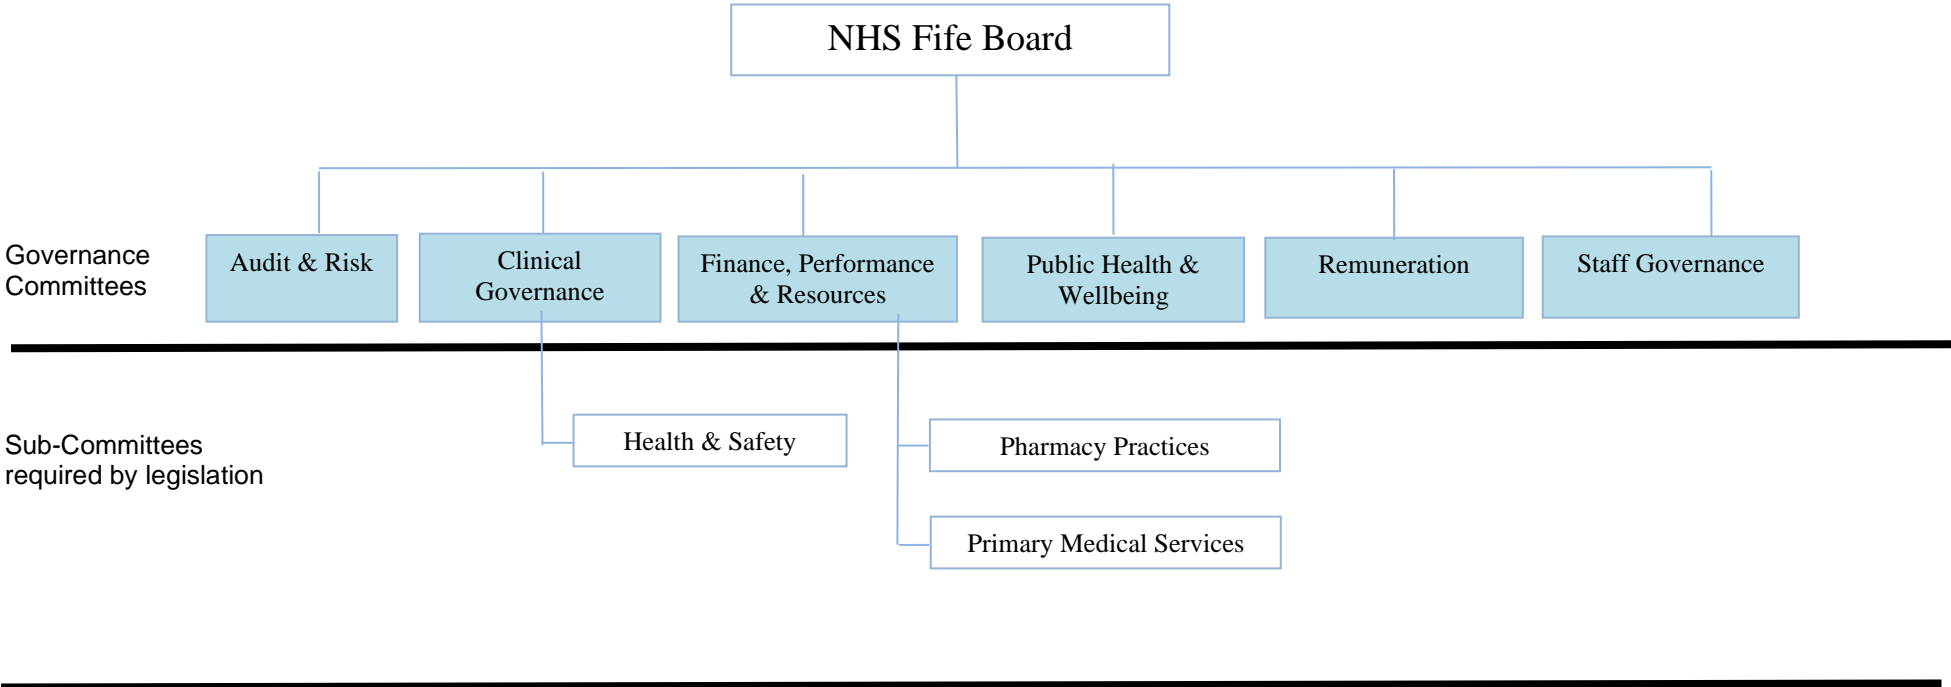

9 Committees

- 9.1 Subject to any direction issued by Scottish Ministers, the Board shall appoint such committees (and sub-committees) as it thinks fit. NHS Scotland Board Development [website](#) will identify the committees which the Board must establish.

- 9.2 The Board shall appoint the chairs of all committees. The Board shall approve the terms of reference and membership of the committees. The Board shall review these as and when required, and shall review the terms within 2 years of their approval if there has not been a review.
- 9.3 The Board shall appoint committee members to fill any vacancy in the membership as and when required. If a committee is required by regulation to be constituted with a particular membership, then the regulation must be followed
- 9.4 Provided there is no Scottish Government instruction to the contrary, any Non-Executive Board member may replace a Committee member who is also a Non-Executive Board member, if such a replacement is necessary to achieve the quorum of the committee.
- 9.5 The Board's Standing Orders relating to the calling and notice of Board meetings, conduct of meetings, and conduct of Board members shall also be applied to committee meetings where the committee's membership consist of or include all the Board members. Where the committee's members includes some of the Board's members, the committee's meetings shall not be held in public and the associated committee papers shall not be placed on the Board's website, unless the Board specifically elects otherwise. Generally Board members who are not members of a committee may attend a committee meeting and have access to the meeting papers. However if the committee elects to consider certain items as restricted business, then the meeting papers for those items will normally only be provided to members of that committee. The person presiding the committee meeting may agree to share the meeting papers for restricted business papers with others.
- 9.6 The Board shall approve a calendar of meeting dates for its committees. The committee chair may call a meeting any time, and shall call a meeting when requested to do so by the Board.
- 9.7 The Board may authorise committees to co-opt members for a period up to one year, subject to the approval of both the Board and the Accountable Officer. A committee may decide this is necessary to enhance the knowledge, skills and experience within its membership to address a particular element of the committee's business. A co-opted member is one who is not a member of Fife NHS Board and is not to be counted when determining the committee's quorum.

- 3.16 The External Auditor, or appointed representative, will normally attend Audit and Risk Committee meetings; and has a right of access to all Audit and Risk Committee members, the Chairperson and Chief Executive of the Board.

This also includes the payment of expenses and additions to pay whether via e-Expenses, SSTS or other arrangements, including manual systems.

Tendering, Contracting and Purchasing Procedures

- 9.1 The Director of Finance shall prepare detailed procedural instructions on the obtaining of goods, services and works, incorporating thresholds set by the Board. The current Authorisation Limits are set out in Scheme of Delegation and the Financial Operating Procedures.
- 9.2 The Chief Executive shall designate a senior officer as the lead senior officer for procurement, and this person shall oversee the procurement of goods and services, to ensure there is an adequate approval of suppliers and their supplies based on cost and quality.
- 9.3 NSS National Procurement shall undertake procurement activity on a national basis on behalf of boards (including NHS Fife), and the Board shall implement these nationally negotiated contracts where possible.
- 9.4 The Board shall operate within the processes established for the procurement of publicly funded construction work.
- 9.5 The Board shall comply with Public Contracts (Scotland) Regulations 2012 (and any subsequent relevant legislation) for any procurement it undertakes directly.
- 9.6 The Director of Finance shall be responsible for the prompt payment of accounts and claims. Payment of contract invoices shall be in accordance with contract terms, or otherwise, in accordance with national guidance.
- 9.7 All other aspects of procurement activity must follow the requirements of the Standing Orders and SFIs. Any decision to depart from the requirements of this section must have the approval of NHS Fife Board.
- 9.8 The Director of Finance shall:-
- Advise the Board regarding the setting of thresholds above which quotations (competitive or otherwise) or formal tenders must be obtained in accordance with the Public Contracts (Scotland) Regulations, as issued annually through Scottish Statutory Instrument.

- Ensure the preparation of comprehensive procedures for all aspects of procurement activity.

9.9 The following basic principles shall be generally applied:-

- Procurement activity satisfies all legal requirements;
- Adequate contracts are in place with approved suppliers for the supply of approved products and services;
- Segregation of duties is applied throughout the process;
- Adequate approval mechanisms are in place before orders are raised;
- All deliveries are checked for completeness and accuracy, and confirmed before approval to pay is made; and
- All payments made are in accordance with previously agreed terms, and what the Board has actually received.

9.10 Limits of Authorisation of Orders

(a) Up to £100,000

- All Corporate Directors, Director of Acute Services and the Director of Health & Social Care can on their own authority commit expenditure up to £100,000 provided this is within the budgets for which they have responsibility.
- All other orders with a value up to £100,000 are subject to a scheme of delegation to Designated Ordering Officers with assigned limits. This scheme is detailed in the Financial Operating Procedures

(b) £100,000 to £1,000,000

All orders between £100,000 and £1,000,000 submitted by any designated corporate authorised officer must be countersigned by the Board Chief Executive or Director of Finance.

(c) Above £1,000,000 and less than £2,000,000

All orders above £1,000,000 and less than £2,000,000 must be authorised by the Board Chief Executive and the Director of Finance, subject to the expenditure having been approved by the Board as part of a capital or revenue plan.

(d) The placing of annual orders and the acceptance of all annual contracts over £2,000,000 and less than £5,000,000, whether capital or revenue, is reserved to the Board and must be authorised by the Board Chief Executive and Director of Finance. If above £5,000,000 then prior approval needs to be sought from the Scottish Government.

- 9.11 For all orders raised between £5,000 and £15,000 there is a requirement for the ordering officer to obtain at least one written quotation. Orders over £15,000 and up to £49,999 should ensure 3 written quotes are received. Any orders above £50,000 are subject to the Board's tendering procedures.

In the following exceptional circumstances, except in cases where Public Sector Procurement Regulations must be adhered to, the Director of Finance and Chief Executive, as specified in the Scheme of Delegation, can approve the waiving of the above requirements. Where goods and services are supplied on this basis and the value exceeds £50,000, a "Waiver of Competitive Tender" may be granted by completing a Waiver of Competitive Tender Form for approval by the appropriate director and the Head of Procurement. This form shall be endorsed by the Director of Finance and Chief Executive and submitted to the Audit and Risk Committee.

At least one of the following conditions must be outlined in the Waiver of Competitive Tender Form:

1. where the repair of a particular item of equipment can only be carried out by the manufacturer;
2. where the supply is for goods or services of a special nature or character in respect of which it is not possible or desirable to obtain competitive quotations or tenders;
3. a contractor's special knowledge is required;
4. where the number of potential suppliers is limited, and it is not possible to invite the required number of quotations or tenders, or where the required number do not respond to an invitation to tender or quotation to comply with these SFIs;
5. where, on the grounds of urgency, or in an emergency, it is necessary that an essential service is maintained or where a delay in carrying out repairs would result in further expense to NHS Fife.

In the case of 1, 2, 3, and 4 above, the Waiver of Competitive Tender Form must be completed in advance of the order being placed, but may be completed retrospectively in the case of 5.

The Head of Procurement will maintain a record of all such exceptions.

Where additional works, services or supplies have become necessary and a change of supplier/contractor would not be practicable (for economic, technical or interoperability reasons) or would involve substantial inconvenience and/or duplication of cost, an existing contractor may be asked to undertake additional works providing the additional works do not exceed 50% of the original contract value and are provided at a value for money cost which should normally be at an equivalent or improved rate to the original contract.

When goods or services are being procured for which quotations or tenders are not required and for which no contract exists, it will be necessary to demonstrate that value for money is being obtained. Written notes/documentation to support the case, signed by the responsible Budget Holder, must be retained for audit inspection.

Further detail on the ordering of goods and services and relevant documentation are set out in the Financial Operating Procedures.

The use of supplies within the Office of Government (OGC) framework agreements may negate the need for three competitive tenders. The use of this route must always be recorded. In all instances, Public Sector Procurement Regulations must be followed.

- 9.12 No order shall be issued for any item or items for which there is no budget provision unless authorised by the Director of Finance on behalf of the Chief Executive from the overall financial resources available to the Board.
- 9.13 Orders shall not be placed in a manner devised to avoid the financial thresholds specified by the Board within the Scheme of Delegation.

SECTION 1: INTRODUCTION TO THE CODE OF CONDUCT

- 1.1 This Code has been issued by the Scottish Ministers, with the approval of the Scottish Parliament, as required by the [Ethical Standards in Public Life etc. \(Scotland\) Act 2000 \(the “Act”\)](#).
- 1.2 The purpose of the Code is to set out the conduct expected of those who serve on the boards of public bodies in Scotland.
- 1.3 The Code has been developed in line with the nine key principles of public life in Scotland. The principles are listed in [Section 2](#) and set out how the provisions of the Code should be interpreted and applied in practice.

My Responsibilities

- 1.4 I understand that the public has a high expectation of those who serve on the boards of public bodies and the way in which they should conduct themselves in undertaking their duties. I will always seek to meet those expectations by ensuring that I conduct myself in accordance with the Code.
- 1.5 I will comply with the substantive provisions of this Code, being sections 3 to 6 inclusive, in all situations and at all times where I am acting as a board member of my public body, have referred to myself as a board member or could objectively be considered to be acting as a board member.
- 1.6 I will comply with the substantive provisions of this Code, being sections 3 to 6 inclusive, in all my dealings with the public, employees and fellow board members, whether formal or informal.
- 1.7 I understand that it is my personal responsibility to be familiar with the provisions of this Code and that I must also comply with the law and my public body’s rules, standing orders and regulations. I will also ensure that I am familiar with any guidance or advice notes issued by the Standards Commission for Scotland (“Standards Commission”) and my public body, and endeavour to take part in any training offered on the Code.
- 1.8 I will not, at any time, advocate or encourage any action contrary to this Code.
- 1.9 I understand that no written information, whether in the Code itself or the associated Guidance or Advice Notes issued by the Standards Commission, can provide for all circumstances. If I am uncertain about how the Code applies, I will seek advice from the Standards Officer of my public body, failing whom the Chair or Chief Executive of my public body. I note that I may also choose to seek external legal advice on how to interpret the provisions of the Code.

Enforcement

- 1.10 [Part 2 of the Act](#) sets out the provisions for dealing with alleged breaches of the Code, including the sanctions that can be applied if the Standards Commission finds that there has been a breach of the Code. More information

on how complaints are dealt with and the sanctions available can be found at [Annex A](#).

SECTION 2: KEY PRINCIPLES OF THE CODE OF CONDUCT

- 2.1 The Code has been based on the following key principles of public life. I will behave in accordance with these principles and understand that they should be used for guidance and interpreting the provisions in the Code.
- 2.2 I note that a breach of one or more of the key principles does not in itself amount to a breach of the Code. I note that, for a breach of the Code to be found, there must also be a contravention of one or more of the provisions in sections 3 to 6 inclusive of the Code.

The key principles are:

Duty

I have a duty to uphold the law and act in accordance with the law and the public trust placed in me. I have a duty to act in the interests of the public body of which I am a member and in accordance with the core functions and duties of that body.

Selflessness

I have a duty to take decisions solely in terms of public interest. I must not act in order to gain financial or other material benefit for myself, family or friends.

Integrity

I must not place myself under any financial, or other, obligation to any individual or organisation that might reasonably be thought to influence me in the performance of my duties.

Objectivity

I must make decisions solely on merit and in a way that is consistent with the functions of my public body when carrying out public business including making appointments, awarding contracts or recommending individuals for rewards and benefits.

Accountability and Stewardship

I am accountable to the public for my decisions and actions. I have a duty to consider issues on their merits, taking account of the views of others and I must ensure that my public body uses its resources prudently and in accordance with the law.

Openness

I have a duty to be as open as possible about my decisions and actions, giving reasons for my decisions and restricting information only when the wider public interest clearly demands.

Honesty

I have a duty to act honestly. I must declare any private interests relating to my public duties and take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

I have a duty to promote and support these principles by leadership and example, and to maintain and strengthen the public's trust and confidence in the integrity of my public body and its members in conducting public business.

Respect

I must respect all other board members and all employees of my public body and the role they play, treating them with courtesy at all times. Similarly, I must respect members of the public when performing my duties as a board member.

SECTION 3: GENERAL CONDUCT

Respect and Courtesy

- 3.1 I will treat everyone with courtesy and respect. This includes in person, in writing, at meetings, when I am online and when I am using social media.
- 3.2 I will not discriminate unlawfully on the basis of race, age, sex, sexual orientation, gender reassignment, disability, religion or belief, marital status or pregnancy/maternity; I will advance equality of opportunity and seek to foster good relations between different people.
- 3.3 I will not engage in any conduct that could amount to bullying or harassment (which includes sexual harassment). I accept that such conduct is completely unacceptable and will be considered to be a breach of this Code.
- 3.4 I accept that disrespect, bullying and harassment can be:
- a) a one-off incident,
 - b) part of a cumulative course of conduct; or
 - c) a pattern of behaviour.
- 3.5 I understand that how, and in what context, I exhibit certain behaviours can be as important as what I communicate, given that disrespect, bullying and harassment can be physical, verbal and non-verbal conduct.
- 3.6 I accept that it is my responsibility to understand what constitutes bullying and harassment and I will utilise resources, including the Standards Commission's guidance and advice notes, my public body's policies and training material (where appropriate) to ensure that my knowledge and understanding is up to date.
- 3.7 Except where it is written into my role as Board member, and / or at the invitation of the Chief Executive, I will not become involved in operational management of my public body. appropriate.

- 3.9 I will not take, or seek to take, unfair advantage of my position in my dealings with employees of my public body or bring any undue influence to bear on employees to take a certain action. I will not ask or direct employees to do something which I know, or should reasonably know, could compromise them or prevent them from undertaking their duties properly and appropriately.
- 3.10 I will respect and comply with rulings from the Chair during meetings of:
- a) my public body, its committees; and
 - b) any outside organisations that I have been appointed or nominated to by my public body or on which I represent my public body.
- 3.11 I will respect the principle of collective decision-making and corporate responsibility. This means that once the Board has made a decision, I will support that decision, even if I did not agree with it or vote for it.

Remuneration, Allowances and Expenses

- 3.12 I will comply with the rules, and the policies of my public body, on the payment of remuneration, allowances and expenses.

Gifts and Hospitality

- 3.13 I understand that I may be offered gifts (including money raised via crowdfunding or sponsorship), hospitality, material benefits or services (“gift or hospitality”) that may be reasonably regarded by a member of the public with knowledge of the relevant facts as placing me under an improper obligation or being capable of influencing my judgement.
- 3.14 I will never **ask for** or **seek** any gift or hospitality.
- 3.15 I will refuse any gift or hospitality, unless it is:
- a) a minor item or token of modest intrinsic value offered on an infrequent basis;
 - b) a gift being offered to my public body;
 - c) hospitality which would reasonably be associated with my duties as a board member; or
 - d) hospitality which has been approved in advance by my public body.
- 3.16 I will consider whether there could be a reasonable perception that any gift or hospitality received by a person or body connected to me could or would influence my judgement.
- 3.17 I will not allow the promise of money or other financial advantage to induce me to act improperly in my role as a board member. I accept that the money or advantage (including any gift or hospitality) does not have to be given to me directly. The offer of monies or advantages to others, including community groups, may amount to bribery, if the intention is to induce me to improperly perform a function.

- 3.18 I will never accept any gift or hospitality from any individual or applicant who is awaiting a decision from, or seeking to do business with, my public body.
- 3.19 If I consider that declining an offer of a gift would cause offence, I will accept it and hand it over to my public body at the earliest possible opportunity and ask for it to be registered.
- 3.20 I will promptly advise my public body's Standards Officer if I am offered (but refuse) any gift or hospitality of any significant value and / or if I am offered any gift or hospitality from the same source on a repeated basis, so that my public body can monitor this.
- 3.21 I will familiarise myself with the terms of the [Bribery Act 2010](#), which provides for offences of bribing another person and offences relating to being bribed.

Confidentiality

- 3.22 I will not disclose confidential information or information which should reasonably be regarded as being of a confidential or private nature, without the express consent of a person or body authorised to give such consent, or unless required to do so by law. I note that if I cannot obtain such express consent, I should assume it is not given.
- 3.23 I accept that confidential information can include discussions, documents, and information which is not yet public or never intended to be public, and information deemed confidential by statute.
- 3.24 I will only use confidential information to undertake my duties as a board member. I will not use it in any way for personal advantage or to discredit my public body (even if my personal view is that the information should be publicly available).
- 3.25 I note that these confidentiality requirements do not apply to protected whistleblowing disclosures made to the prescribed persons and bodies as identified in statute.

Use of Public Body Resources

- 3.26 I will only use my public body's resources, including employee assistance, facilities, stationery and IT equipment, for carrying out duties on behalf of the public body, in accordance with its relevant policies.
- 3.27 I will not use, or in any way enable others to use, my public body's resources:
- a) imprudently (without thinking about the implications or consequences);
 - b) unlawfully;
 - c) for any political activities or matters relating to these; or
 - d) improperly.

Dealing with my Public Body and Preferential Treatment

- 3.28 I will not use, or attempt to use, my position or influence as a board member to:
- a) improperly confer on or secure for myself, or others, an advantage;
 - b) avoid a disadvantage for myself, or create a disadvantage for others or
 - c) improperly seek preferential treatment or access for myself or others.
- 3.29 I will avoid any action which could lead members of the public to believe that preferential treatment or access is being sought.
- 3.30 I will advise employees of any connection, as defined at [Section 5](#), I may have to a matter, when seeking information or advice or responding to a request for information or advice from them.

Appointments to Outside Organisations

- 3.31 If I am appointed, or nominated by my public body, as a member of another body or organisation, I will abide by the rules of conduct and will act in the best interests of that body or organisation while acting as a member of it. I will also continue to observe the rules of this Code when carrying out the duties of that body or organisation.
- 3.32 I accept that if I am a director or trustee (or equivalent) of a company or a charity, I will be responsible for identifying, and taking advice on, any conflicts of interest that may arise between the company or charity and my public body.

SECTION 4: REGISTRATION OF INTERESTS

- 4.1 The following paragraphs set out what I have to register when I am appointed and whenever my circumstances change. The register covers my current term of appointment.
- 4.2 I understand that regulations made by the Scottish Ministers describe the detail and timescale for registering interests; including a requirement that a board member must register their registrable interests within one month of becoming a board member, and register any changes to those interests within one month of those changes having occurred.
- 4.3 The interests which I am required to register are those set out in the following paragraphs. Other than as required by paragraph 4.23, I understand it is not necessary to register the interests of my spouse or cohabitee.

Category One: Remuneration

- 4.4 I will register any work for which I receive, or expect to receive, payment. I have a registrable interest where I receive remuneration by virtue of being:
- a) employed;
 - b) self-employed;
 - c) the holder of an office;
 - d) a director of an undertaking;

- e) a partner in a firm;
 - f) appointed or nominated by my public body to another body; or
 - g) engaged in a trade, profession or vocation or any other work.
- 4.5 I understand that in relation to 4.4 above, the amount of remuneration does not require to be registered. I understand that any remuneration received as a board member of this specific public body does not have to be registered.
- 4.6 I understand that if a position is not remunerated it does not need to be registered under this category. However, unremunerated directorships may need to be registered under Category Two, "Other Roles".
- 4.7 I must register any allowances I receive in relation to membership of any organisation under Category One.
- 4.8 When registering employment as an employee, I must give the full name of the employer, the nature of its business, and the nature of the post I hold in the organisation.
- 4.9 When registering remuneration from the categories listed in paragraph 4.4 (b) to (g) above, I must provide the full name and give details of the nature of the business, organisation, undertaking, partnership or other body, as appropriate. I recognise that some other employments may be incompatible with my role as board member of my public body in terms of paragraph 6.8 of this Code.
- 4.10 Where I otherwise undertake a trade, profession or vocation, or any other work, the detail to be given is the nature of the work and how often it is undertaken.
- 4.11 When registering a directorship, it is necessary to provide the registered name and registered number of the undertaking in which the directorship is held and provide information about the nature of its business.
- 4.12 I understand that registration of a pension is not required as this falls outside the scope of the category.

Category Two: Other Roles

- 4.13 I will register any unremunerated directorships where the body in question is a subsidiary or parent company of an undertaking in which I hold a remunerated directorship.
- 4.14 I will register the registered name and registered number of the subsidiary or parent company or other undertaking and the nature of its business, and its relationship to the company or other undertaking in which I am a director and from which I receive remuneration.

Category Three: Contracts

- 4.15 I have a registerable interest where I (or a firm in which I am a partner, or an

undertaking in which I am a director or in which I have shares of a value as described in paragraph 4.20 below) have made a contract with my public body:

- a) under which goods or services are to be provided, or works are to be executed; and
- b) which has not been fully discharged.

4.16 I will register a description of the contract, including its duration, but excluding the value.

Category Four: Election Expenses

4.17 If I have been elected to my public body, then I will register a description of, and statement of, any assistance towards election expenses relating to election to my public body.

Category Five: Houses, Land and Buildings

4.18 I have a registrable interest where I own or have any other right or interest in houses, land and buildings, which may be significant to, of relevance to, or bear upon, the work and operation of my public body.

4.19 I accept that, when deciding whether or not I need to register any interest I have in houses, land or buildings, the test to be applied is whether a member of the public, with knowledge of the relevant facts, would reasonably regard the interest as being so significant that it could potentially affect my responsibilities to my public body and to the public, or could influence my actions, speeches or decision-making.

Category Six: Interest in Shares and Securities

4.20 I have a registerable interest where:

- a) I own or have an interest in more than 1% of the issued share capital of the company or other body; or
- b) Where, at the relevant date, the market value of any shares and securities (in any one specific company or body) that I own or have an interest in is greater than £25,000.

Category Seven: Gifts and Hospitality

4.21 I understand the requirements of paragraphs [3.13 to 3.21](#) regarding gifts and hospitality. As I will not accept any gifts or hospitality, other than under the limited circumstances allowed, I understand there is no longer the need to register any.

Category Eight: Non-Financial Interests

4.22 I may also have other interests and I understand it is equally important that

relevant interests such as membership or holding office in other public bodies, companies, clubs, societies and organisations such as trades unions and voluntary organisations, are registered and described. In this context, I understand non-financial interests are those which members of the public with knowledge of the relevant facts might reasonably think could influence my actions, speeches, votes or decision-making in my public body (this includes its Committees and memberships of other organisations to which I have been appointed or nominated by my public body).

Category Nine: Close Family Members

- 4.23 I will register the interests of any close family member who has transactions with my public body or is likely to have transactions or do business with it.

SECTION 5: DECLARATION OF INTERESTS

Stage 1: Connection

- 5.1 For each particular matter I am involved in as a board member, I will first consider whether I have a connection to that matter.
- 5.2 I understand that a connection is any link between the matter being considered and me, or a person or body I am associated with. This could be a family relationship or a social or professional contact.
- 5.3 A connection includes anything that I have registered as an interest.
- 5.4 A connection does not include being a member of a body to which I have been appointed or nominated by my public body as a representative of my public body or of which I am a member by reason of, or in implementation of, a statutory provision, unless:
- a) The matter being considered by my public body is quasi-judicial or regulatory; or
 - b) I have a personal conflict by reason of my actions, my connections or my legal obligations.

Stage 2: Interest

- 5.5 I understand my connection is an interest that requires to be declared where the objective test is met – that is where a member of the public with knowledge of the relevant facts would reasonably regard my connection to a particular matter as being so significant that it would be considered as being likely to influence the discussion or decision-making.

Stage 3: Participation

- 5.6 I will declare my interest as early as possible in meetings. I will not remain in the meeting nor participate in any way in those parts of meetings where I have declared an interest.

- 5.7 I will consider whether it is appropriate for transparency reasons to state publicly where I have a connection, which I do not consider amounts to an interest.
- 5.8 I note that I can apply to the Standards Commission and ask it to grant a dispensation to allow me to take part in the discussion and decision-making on a matter where I would otherwise have to declare an interest and withdraw (as a result of having a connection to the matter that would fall within the objective test). I note that such an application must be made in advance of any meetings where the dispensation is sought and that I cannot take part in any discussion or decision-making on the matter in question unless, and until, the application is granted.
- 5.9 I note that public confidence in a public body is damaged by the perception that decisions taken by that body are substantially influenced by factors other than the public interest. I will not accept a role or appointment if doing so means I will have to declare interests frequently at meetings in respect of my role as a board member. Similarly, if any appointment or nomination to another body would give rise to objective concern because of my existing personal involvement or affiliations, I will not accept the appointment or nomination.

SECTION 6: LOBBYING AND ACCESS

- 6.1 I understand that a wide range of people will seek access to me as a board member and will try to lobby me, including individuals, organisations and companies. I must distinguish between:
- a) any role I have in dealing with enquiries from the public;
 - b) any community engagement where I am working with individuals and organisations to encourage their participation and involvement, and;
 - c) lobbying, which is where I am approached by any individual or organisation who is seeking to influence me for financial gain or advantage, particularly those who are seeking to do business with my public body (for example contracts/procurement).
- 6.2 In deciding whether, and if so how, to respond to such lobbying, I will always have regard to the objective test, which is whether a member of the public, with knowledge of the relevant facts, would reasonably regard my conduct as being likely to influence my, or my public body's, decision-making role.
- 6.3 I will not, in relation to contact with any person or organisation that lobbies, do anything which contravenes this Code or any other relevant rule of my public body or any statutory provision.
- 6.4 I will not, in relation to contact with any person or organisation that lobbies, act in any way which could bring discredit upon my public body.
- 6.5 If I have concerns about the approach or methods used by any person or organisation in their contacts with me, I will seek the guidance of the Chair,

Chief Executive or Standards Officer of my public body.

- 6.6 The public must be assured that no person or organisation will gain better access to, or treatment by, me as a result of employing a company or individual to lobby on a fee basis on their behalf. I will not, therefore, offer or accord any preferential access or treatment to those lobbying on a fee basis on behalf of clients compared with that which I accord any other person or organisation who lobbies or approaches me. I will ensure that those lobbying on a fee basis on behalf of clients are not given to understand that preferential access or treatment, compared to that accorded to any other person or organisation, might be forthcoming.
- 6.7 Before taking any action as a result of being lobbied, I will seek to satisfy myself about the identity of the person or organisation that is lobbying and the motive for lobbying. I understand I may choose to act in response to a person or organisation lobbying on a fee basis on behalf of clients but it is important that I understand the basis on which I am being lobbied in order to ensure that any action taken in connection with the lobbyist complies with the standards set out in this Code and the [Lobbying \(Scotland\) Act 2016](#).
- 6.8 I will not accept any paid work:
- a) which would involve me lobbying on behalf of any person or organisation or any clients of a person or organisation.
 - b) to provide services as a strategist, adviser or consultant, for example, advising on how to influence my public body and its members. This does not prohibit me from being remunerated for activity which may arise because of, or relate to, membership of my public body, such as journalism or broadcasting, or involvement in representative or presentational work, such as participation in delegations, conferences or other events.

ANNEX A: BREACHES OF THE CODE

Introduction

1. [The Ethical Standards in Public Life etc. \(Scotland\) Act 2000](#) (“the Act”) provided for a framework to encourage and, where necessary, enforce high ethical standards in public life.
2. The Act provided for the introduction of new codes of conduct for local authority councillors and members of relevant public bodies, imposing on councils and relevant public bodies a duty to help their members comply with the relevant code.
3. The Act and the subsequent Scottish Parliamentary Commissions and Commissioners etc. Act 2010 established the [Standards Commission for Scotland](#) (“Standards Commission”) and the post of [Commissioner for Ethical Standards in Public Life in Scotland](#) (“ESC”).
4. The Standards Commission and ESC are separate and independent, each with distinct functions. Complaints of breaches of a public body’s Code of Conduct are investigated by the ESC and adjudicated upon by the Standards Commission.
5. The first Model Code of Conduct came into force in 2002. The Code has since been reviewed and re-issued in 2014. The 2021 Code has been issued by the Scottish Ministers following consultation, and with the approval of the Scottish Parliament, as required by the Act.

Investigation of Complaints

6. The ESC is responsible for investigating complaints about members of devolved public bodies. It is not, however, mandatory to report a complaint about a potential breach of the Code to the ESC. It may be more appropriate in some circumstances for attempts to be made to resolve the matter informally at a local level.
7. On conclusion of the investigation, the ESC will send a report to the Standards Commission.

Hearings

8. On receipt of a report from the ESC, the Standards Commission can choose to:
 - Do nothing;
 - Direct the ESC to carry out further investigations; or
 - Hold a Hearing.
9. Hearings are held (usually in public) to determine whether the member concerned has breached their public body’s Code of Conduct. The Hearing

Panel comprises of three members of the Standards Commission. The ESC will present evidence and/or make submissions at the Hearing about the investigation and any conclusions as to whether the member has contravened the Code. The member is entitled to attend or be represented at the Hearing and can also present evidence and make submissions. Both parties can call witnesses. Once it has heard all the evidence and submissions, the Hearing Panel will make a determination about whether or not it is satisfied, on the balance of probabilities, that there has been a contravention of the Code by the member. If the Hearing Panel decides that a member has breached their public body's Code, it is obliged to impose a sanction.

Sanctions

10. The sanctions that can be imposed following a finding of a breach of the Code are as follows:

- **Censure:** A censure is a formal record of the Standards Commission's severe and public disapproval of the member concerned.
- **Suspension:** This can be a full or partial suspension (for up to one year). A full suspension means that the member is suspended from attending all meetings of the public body. Partial suspension means that the member is suspended from attending some of the meetings of the public body. The Commission can direct that any remuneration or allowance the member receives as a result of their membership of the public body be reduced or not paid during a period of suspension.
- **Disqualification:** Disqualification means that the member is removed from membership of the body and disqualified (for a period not exceeding five years), from membership of the body. Where a member is also a member of another devolved public body (as defined in the Act), the Commission may also remove or disqualify that person in respect of that membership. Full details of the sanctions are set out in section 19 of the Act.

Interim Suspensions

11. Section 21 of the Act provides the Standards Commission with the power to impose an interim suspension on a member on receipt of an interim report from the ESC about an ongoing investigation. In making a decision about whether or not to impose an interim suspension, a Panel comprising of three Members of the Standards Commission will review the interim report and any representations received from the member and will consider whether it is satisfied:

- That the further conduct of the ESC's investigation is likely to be prejudiced if such an action is not taken (for example if there are concerns that the member may try to interfere with evidence or witnesses); or
- That it is otherwise in the public interest to take such a measure. A policy outlining how the Standards Commission makes any decision under Section 21 and the procedures it will follow in doing so, should any such a report be received from the ESC can be found [here](#).

12. The decision to impose an interim suspension is not, and should not be seen as, a finding on the merits of any complaint or the validity of any allegations against a member of a devolved public body, nor should it be viewed as a disciplinary measure.

STANDARDS OF BUSINESS CONDUCT FOR ALL STAFF

1. INTRODUCTION

- 1.1 All NHS staff who commit NHS resources directly or indirectly must be impartial and honest in their conduct of business and, at all times, all employees must remain beyond suspicion. Under the Bribery Act 2010, it is an offence to request, agree to receive or accept a bribe in return for improperly performing a function or activity.
- 1.2 NHS Circular [MEL \(1994\) 48](#) details the principles for standards of conduct and accountability in situations where there is potential conflict between the private interests of NHS staff and their NHS duties. It also requires the establishment of a local code of conduct (which is this document).
- 1.3 The purpose of this guidance is to ensure that all NHS Fife employees are aware of their duties under the above MEL and to protect them from situations where they may be placed in a real or apparent conflict of interest. These Standards also form part of the Board's contract for the employment of all staff.
- 1.4 Supporting guidance has been prepared for staff on the practical application of the Standards, including further details around the acceptance and declaration of Gifts and Hospitality and Declaration of Interests, is provided as a [separate document](#). Any queries can also be addressed to fife.boardadministration@nhs.scot.

2. KEY PRINCIPLES OF BUSINESS CONDUCT

- 2.1 The core Standards of Business Conduct for NHS staff (NHS Circular [MEL \(1994\) 48](#)) provide instructions to staff in maintaining strict ethical standards in the conduct of NHS business. All members of staff are required to adhere to these Standards.
- 2.2 Public service values must be at the heart of the activities of NHS Fife. High standards of corporate and personal conduct, based on the recognition that patients come first, are always required. Fife NHS Board is a publicly-funded body, accountable to the Scottish Ministers, and through them to the Scottish Parliament, for the services it provides and for the effective and economical use of taxpayers' money.
- 2.3 If staff follow these principles, the Board should be able to demonstrate that it adheres to the three essential public sector values, namely:
- Accountability
Everything done by those who work in NHS Fife must be able to stand the tests of parliamentary and public scrutiny, public judgements on propriety and meet professional codes of conduct.
 - Probity

Absolute honesty and integrity should be exercised in dealing with NHS patients, staff, assets, suppliers and customers.

- Openness
NHS Fife should be sufficiently public and transparent to promote confidence between the organisation and its patients, staff and the public.

3. RESPONSIBILITIES OF STAFF

- 3.1 The guidance within this document reflects the minimum Standards of Business Conduct expected from all NHS Fife staff. Any breaches may lead to potential disciplinary action. Additionally, staff should be aware that any breach of statutory legislation renders them liable to prosecution and may also lead to the loss of their employment and superannuation rights in the NHS.
- 3.2 Employees are expected to:
- ensure that the interest of patients remains paramount at all times;
 - be impartial and honest in the conduct of their official business; and
 - use the public funds entrusted to them to the best advantage of the service, always ensuring value for money.
- 3.3 It is also the responsibility of staff to ensure that they do not:
- abuse their official position for personal gain or to the benefit of their family or friends;
 - undertake outside employment that could compromise their NHS duties;
 - or
 - seek to advantage or further their private business or interest in the course of their official duties.
- 3.4 Staff must always ensure that they do not place themselves in a position which risks, or appears to risk, conflict between their private interests or behaviour and the correct performance of their NHS duties. This primary responsibility applies to all NHS Fife staff.
- 3.5 In addition to these Standards, for all Members of Fife NHS Board there are additional responsibilities as outlined in the [Code of Conduct for Members of Devolved Public Bodies](#), enforced by the [Standards Commission for Scotland](#). Board members must always ensure they update timeously their entry on the Register of Interests and make appropriate declaration of any such interests at meetings they participate in, as might be required.

If any member of staff is in any doubt at all about what is or is not permissible under this policy, they should seek advice from their Line Manager or relevant Executive Director.

4. ACCEPTANCE OF GIFTS AND/OR HOSPITALITY

- 4.1 NHS Circular [MEL \(1994\) 48](#) on the Standards of Business Conduct for NHS Staff includes strict instructions on the acceptance of gifts and hospitality. These Standards are incorporated into the contract of employment of each

member of staff. Some practices which may be accepted in the private sector are not permitted under the Standards. The key points are as follows:

- GIFTS

4.1.1. Anti-Bribery Policy

The Board will uphold all laws relevant to countering bribery and corruption, including the Bribery Act 2010. This commitment applies to every aspect of the Board's activity, including dealings with public and private sector organisations and the delivery of care to patients.

The Bribery Act 2010 recognises a number of offences including the following:

- The offering, promising or giving of a bribe (active bribery);
- The requesting, agreeing to receive or accepting of a bribe (passive bribery).

Any employee who commits active or passive bribery will be subject to disciplinary action. In addition, the matter will be referred to relevant authorities for criminal investigation. The maximum sentence for any individual convicted of bribery is 10 years' imprisonment, an unlimited fine, or both. This includes Directors and Senior Officers who have consented to, or connived in, committing an offence.

The Bribery Act 2010 also recognises a further offence of corporate liability for failing to prevent bribery on behalf of a commercial organisation (for the purposes of the Act, NHS Boards are considered commercial organisations). The Board has put in place a range of measures intended to prevent bribery and these are subject to formal and regular review to ensure they remain fit for purpose.

4.1.2 Staff should therefore be very cautious if faced with the offer of a gift. Casual gifts offered by contractors or others (for example, at the festive season) may not be in any way connected with the performance of duties so as to constitute an offence under the Bribery Act 2010. Such gifts should nevertheless be politely declined. Articles of small intrinsic value, such as branded calendars or diaries, may however be accepted where this would not breach this guidance. If in doubt, staff must contact their line manager before acceptance. Gifts declined must also be declared by staff.

4.1.3 Small gifts from patients or their families, to express their gratitude to members of staff, can be accepted by members of staff without breaching this guidance. The circumstances should allow sensible application of judgement. Refusal could cause offence. Such gifts will be of relatively low value, for example, biscuits, chocolates, flowers etc. These gifts do not need to be registered. On no account, however, should gifts of alcohol be accepted by staff.

4.1.4 Where an unsolicited, inappropriate or high-value gift is received by a member of staff and the individual is unable to return it or the donor refuses to accept its return, they should report the circumstances to their Line Manager or

relevant Executive Director, who will ensure the donor is advised of the course of action.

- 4.1.5 Under no circumstances must staff accept personal gifts of cash (or cash equivalents such as gift vouchers) regardless of the amount. Should a patient or their family wish to make a financial donation in recognition of the care they have received from staff, they should be clearly signposted to the Board's Endowment Fund, [Fife Health Charity](#), who are able to accept direct financial donations in support of the health and wellbeing of patients and staff in NHS Fife.
- 4.1.6 Financial donations to a departmental fund that are to be used for the purposes of the Board e.g. to support training, must always be administered through [Fife Health Charity](#).
- 4.1.7 Gifts of equipment not for individual use may be accepted, provided that:
- They are in no way related to purchasing decisions and do not commit the Board to any obligations with the supplier;
 - They are entered into the Register of Interests, Gifts & Hospitality;
 - A risk assessment is carried out before acceptance of the Board's potential liabilities of accepting the asset;
 - The budget holder's approval to accepting the gift is sought, particularly if there are any costs (recurrent or non-recurrent) associated with accepting the gift;
 - They are recorded under the procedures for accepting donated assets and details notified to the Board's Capital Accountant (further information available at [Appendix E, Section 6 of the Financial Operating Procedures](#)).

• HOSPITALITY

- 4.2.1 The [Ethical Standards in Public Life etc. \(Scotland\) Act 2000](#) states the following:
- As a general rule it is usually appropriate to refuse offers.
 - You must not accept repeated hospitality from the same source.
 - You must not accept any hospitality offer...to show favour or disadvantage to any individual.
- 4.2.2 NHS Circular [MEL \(1994\) 48](#) on the Standards of Business Conduct for NHS Staff state that modest hospitality may be acceptable, provided it is normal and reasonable in the circumstances e.g. lunch or dinner provided in the course of a working visit, meeting, conference etc. It is not necessary to report the provision of tea / coffee / biscuits, etc. or to declare basic hospitality received as part of the normal programme of a course or conference. Any hospitality accepted should be similar in scale to that which the NHS as an employer would be likely to offer. All other offers of hospitality should be declined.
- 4.2.3 Hospitality in excess of what the NHS would be likely to provide should not normally be accepted. Such hospitality should be politely but firmly declined.

Should an individual wish to accept hospitality they consider falls into this category, then prior approval of the appropriate Line Manager or relevant Executive Director is required. All hospitality exceeding what the NHS would be likely to provide, whether accepted or declined, must be declared by staff in the Register of Interests, Gifts & Hospitality.

4.2.4 It may not always be clear whether an individual is being invited to an event involving the provision of hospitality (e.g. a formal dinner) in a personal / private capacity or as a consequence of the position which they holds with the Board.

- (i) If the invitation is the result of the individual's position within the Board, only hospitality which is modest and normal and reasonable in the circumstances should be accepted. If the nature of the event dictates a level of hospitality which exceeds this, then the individual should ensure that their Line Manager or relevant Executive Director is fully aware of the circumstances and approves their attendance. An example of such an event might be an awards ceremony involving a formal dinner. If their appropriate Line Manager or relevant Executive Director grants approval to attend, the individual should declare their attendance at the event in the Register of Interests, Gifts & Hospitality.
- (ii) If the individual is invited to an event in a private capacity (e.g. as result of their qualification or membership of a professional body), they are at liberty to accept or decline the invitation without prior reference to their Line Manager or relevant Executive Director. The following matters should however be considered before an invitation to an individual in a private capacity is accepted:
 - a. The individual should not do or say anything at the event that could be construed as representing the views and/or policies of the Board.
 - b. If the body issuing the invitation has (or is likely to have, or is seeking to have) commercial or other financial dealings with the Board, then it could be difficult for an individual to demonstrate that their attendance was in a private and not an official capacity. Attendance could create a perception that the individual's independence had been compromised, especially where the scale of hospitality is lavish. Individuals should therefore exercise caution before accepting invitations from such bodies and must inform their appropriate Line Manager or relevant Executive Director on receipt of any such invitations.
- (iii) Where suppliers of clinical products provide hospitality it should only be accepted in association with scientific meetings, clinical educational meetings or the equivalent, which must be modest, normal and reasonable in the circumstances, in line with what the NHS would normally provide and held in appropriate venues conducive to the main purpose of the event, e.g. the sponsorship is clearly disclosed in any papers relating to the meeting; products discussed should be described in relation to the Scottish Medicines Consortium, Formulary or

equivalent clinical product catalogue; and the active promotion of clinical products is restricted to those in the Board's Formulary and equivalent clinical product catalogues.

- **COMPETITIONS / PRIZES**

- 4.2.5 Individuals should not enter any externally run competitions, including free draws organised by bodies who have (or are seeking to have) financial dealings with the Board. Potential suppliers may use this as a means of giving money or gifts to individuals within the Board in an effort to influence the outcome of business decisions.

5. RECORDING RECEIPT OF GIFTS AND/OR HOSPITALITY

- 5.1 The Corporate Governance & Board Administration department compiles the Board's Register of Interests, Gifts & Hospitality, which provides a summary of individual staff returns. An extract of the register is published annually on the [NHS Fife website](#) and made available to the Board's auditors for inspection. It is the responsibility of staff recipients of any gifts or hospitality to report all items received, whether accepted or declined, on the appropriate pro-forma (see Appendix 2).

6. PROVISION OF HOSPITALITY OUTWITH NHS FACILITIES

- 6.1 Any hospitality provided by NHS Fife in the course of duty should be provided only on NHS premises. Where, in exceptional circumstances, it is necessary to provide hospitality outwith an NHS catering facility, prior authorisation must be sought from the relevant Executive Director (who will seek advice as required from the Procurement Department, to ensure compliance with any procurement regulations and frameworks). Any such hospitality should be on a modest scale and in line with what would be expected to be provided by the NHS catering department. No alcohol or tobacco should be provided as part of any external hospitality.

7. REGISTER OF STAFF INTERESTS

- 7.1 To avoid conflicts of interest and to maintain openness and accountability, members of staff are required to register all interests that may have any relevance to their core duties or responsibilities. These include any financial interest in a business or any other activity or pursuit that may compete for an NHS contract to supply either goods or services to the NHS or in any other way could be perceived to conflict with the interests of the Board. **The test to be applied when considering appropriateness of registration of an interest is to ask whether a member of the public acting reasonably might consider the interest could potentially affect the individual's responsibilities to the organisation and/or influence their actions.** If in doubt, the individual should register the interest or seek further guidance from their Line Manager or relevant Executive Director.

- 7.2 Interest that it might be registered by staff include:

- Other employments (note, employment with the NHS Fife Nurse Bank is **not** required to be declared);
- Directorships, including Non-Executive Directorships held in private companies or public limited companies (whether remunerated or not);
- Ownership of, or an interest in, private companies, partnerships, businesses or consultancies that are likely to be relevant to the work of the Board;
- Shareholdings in organisations likely or possibly seeking to do business with the NHS (the value of the shareholdings need not be declared);
- Ownership of, or interest in, land or buildings which may be significant or relevant to the work of the Board;
- Any position of authority held in another public body, trade union, charity or voluntary body;
- Any connection with a voluntary or other body contracting for NHS services; and
- Any involvement in joint working arrangements with Clinical (or other) Suppliers.

7.3 The list above is not exhaustive and should not preclude the registration of other forms of interest where these might give rise to a potential conflict of interests with the work of the Board. Any interests of spouses, partner or civil partner, close relative or associate, or person living with a member of staff as part of a family unit could also require registration if a potential conflict of interest exists.

7.4 The Corporate Governance & Board Administration department compiles the Board's Register of Interests, Gifts & Hospitality, which provides a summary of individual staff returns. An extract of the register is published annually on the [NHS Fife website](#) and made available to the Board's auditors for inspection. The entries in the Register of Staff Interests will be retained in respect of a period of five years after the registration ceases or the member of staff leaves the organisation.

7.5 It is the responsibility of each individual member of staff to ensure that any interests are reported and the relevant pro-forma returned (see Appendix 2). A copy of this pro-forma should be completed at the commencement of employment or on the acquisition of the interest. Any changes to interests should be notified at the earliest opportunity, or within four weeks of the change occurring. A separate Register of Interests for Fife NHS Board Members and Executive Directors is also maintained and [published](#) by the Corporate Governance & Board Administration department.

7.6 It is the responsibility of each individual member of staff to declare any relevant interest to the Chair of any Standing Committee / Professional Advisory Committee / decision-making group that they sit on, so that the Chair is aware of any conflict which may arise. These Declarations of Interest will be recorded in the Minutes of the respective meeting.

8. SECONDARY EMPLOYMENT

- 8.1 Medical or dental staff may undertake private practice in accordance with their respective Terms and Conditions of Service. Staff (other than medical and dental) employed by the Board may wish to follow their NHS employment or profession concurrently with another employer. Before staff (other than medical and dental) take up such other employment, they should obtain the approval of the Board. Approval should be sought by approaching the member of staff's Line Manager or relevant Executive Director in the first instance. Any approval should be in writing and recorded on the individual's personnel file.
- 8.2 The Board will require assurance that the secondary employment:
- will not create a conflict of interest;
 - will not interfere with or have a detrimental effect on the core duties for the Board of the member of staff;
 - will not contravene the European Working Time Regulations that seeks to ensure each employee does not exceed an average of 48 hours of weekly working time; and
 - will not damage the Board's reputation.
- 8.3 All staff should note that it is advisable to declare any secondary employment in the Register of Interests (note, however, secondary employment with the NHS Fife Nurse Bank is **not** required to be declared).

9. INTELLECTUAL PROPERTY RIGHTS

- 9.1 The Board is entitled to receive any royalties, rewards or benefits in respect of work commissioned or carried out by members of staff in the course of their NHS duties. Any member of staff entering into a joint working or sponsorship agreement must ensure that any intellectual property rights arising are properly protected for the benefit of the Board.
- 9.2 Guidance can be found in [NHS MEL \(1998\) 23: Policy Framework for the Management of Intellectual Property within the NHS arising from Research and Development](#) and [NHS HDL \(2004\) 09: Management of Intellectual Property in the NHS](#).

10. COMMERCIAL SPONSORSHIP

- 10.1 Acceptance by staff of commercial sponsorship for attendance at relevant conferences and courses is acceptable but only where the employee seeks permission in advance and their line manager is satisfied that acceptance will not compromise purchasing or procurement decisions in any way. This includes all costs associated with the event if they are provided by the "sponsor". Such sponsorship should be registered as per other forms of hospitality outlined in Section 4 above.
- 10.2 On occasions when it is considered necessary for staff advising on the procurement of equipment to expect to see such equipment in operation in other parts of the country (or exceptionally overseas), NHS Fife will meet the

costs, to avoid putting in jeopardy the integrity of subsequent procurement decisions.

- 10.3 Companies may offer to sponsor a post either wholly or partly. The Board must not enter into such an arrangement unless it is made abundantly clear to the company concerned that sponsorship will have no effect on procurement decisions by NHS Fife. Where the sponsorship is accepted, the Director of Finance or Deputy Director of Finance must be fully involved and will be responsible for the establishment of monitoring arrangements to ensure that procurement decisions are not being influenced by the sponsorship agreement.
- 10.4 Under no circumstances should any employee agree to linked deals where sponsorship is linked to the procurement of a particular product or to obtaining supply from particular sources.
- 10.5 This section should also be read in conjunction with [Section 6G of the Financial Operating Procedures](#).
- 10.6 The Authorising Officer will document all activity, actions or arrangements made under this section and will ensure the Register of Interests, Gifts & Hospitality is amended accordingly.

11. COMMERCIALLY SENSITIVE INFORMATION

- 11.1 Managers are reminded to take care in using or making public internal information of a “Commercially Sensitive” nature, particularly if its disclosure would prejudice the principles of a procurement system based on fair competition. This principle applies whether private competitors or other NHS providers are concerned.

12. WORKING WITH THE PHARMACEUTICAL INDUSTRY

- 12.1 On occasions where staff are considering working with the Pharmaceutical Industry, they must comply with the separate NHS Fife Guidance on [Working with the Pharmaceutical Industry](#).
