

Suggested Emergency Travel Kit

For peace of mind always carry an emergency kit in your vehicle.
Your emergency kit should include:-

- A first aid kit
- Battery jump leads
- A torch and spare batteries
- A map for unplanned diversions
- A blanket
- A reflective warning sign

In winter you should also take:-

- An ice scraper and de-icer
- A shovel for snow
- Warm clothes, boots and a blanket
- Some food and a warm drink in a flask

In winter you should pay attention to planning your journey in poor weather, and consider fitting winter tyres or snow socks to your vehicle.
